C. NY T-1 stated that upon the persuasion of SOBELL he joined the Communist Party about the fall of 1939 and added that SOBELL was at that time already a member.

NY T-1 stated ~~that while residing at the address on Seventh Street~~ there were approximately five Communist Party meetings held ~~in his and~~ SOBELL's apartment. He stated that ~~both he and SOBELL were~~ present during each meeting. NY T-1 stated that the only person whom he could recall by name who was a member of their cell at that time was one SARAH SILVERMAN.

NY T-1 stated that he could not recall whether ~~he and~~ SOBELL attended any meetings at the home of SARAH SILVERMAN but stated that SOBELL had been dating SILVERMAN at the time the Communist Party meetings were being held in NY T-1 and SOBELL's apartment.

MORTON SOBELL was convicted on March 29, 1951, in the United States District Court, Southern District of New York of conspiracy to commit espionage on behalf of the Soviet Union and was sentenced on April 5, 1951, to 30 years imprisonment. He is currently serving his sentence in the custody of the Attorney General.

He stated that she either left Washington or dropped out of the Party a short time later and he has not seen nor heard of her since that time. NY T-1 advised that SILVERMAN and SOBELL were in the Communist Party at the same time.

It is noted that on Security Investigation Data for Nonsensitive Position Form, Standard Form 85, certified by the employee on March 14, 1966, she indicated that she was born on December 29, 1943 and was employed by the United States Civil Service Commission, Washington, D. In July, 1966, NY T-1 advised that he was introduced to SARAH SILVERMAN sometime in 1939 by MORTON SOBELL. He advised that he knew SARAH SILVERMAN for about a year and a half during 1939 and 1940. He stated that during that period, he knew her to be a member of the Communist Party and believes that she attended meetings in the apartment shared by himself and MORTON SOBELL. He could not recall the specific number of meetings that SARAH SILVERMAN attended nor could he recall her at any specific meetings.

NY T-1 advised that ~~when he and MORTON SOBELL moved from their apartment on Seventh Street in Washington, D. C.,~~ he lost contact with SARAH SILVERMAN, and has had no dealings with her since that time.

NY T-1 advised that SARAH SILVERMAN could be described as a very passive member of the Communist Party in that she took no active part in the discussions and seemed to know very little of the theory of Communism. He recalled

NY 121-2017

On January 17, 1951, Mrs. SIDNEY POWELL, 56-27 194th Street, Queens, New York, advised that her maiden name was SARAH SILVERMAN and that she had been employed by the Civil Service Commission in Washington, D. She stated that she had never been a member of the Communist Party (CP) nor a member of the American Peace Mobilization. She also stated that she had never heard of JULIUS ROSENBERG and was not aware of the fact that ROSENBERG and SOBELL were in jail awaiting trial on charges of espionage.

BASIS FOR INVESTIGATION

On September 27, 1950, during the course of another investigation conducted by the Federal Bureau of Investigation, NY T-1 advised that from the spring of 1939 until the spring of 1940, MORTON SOBELL and MAX ELITCHER resided at 4925 Seventh Street, Northwest, Washington, D. C. NY T-1 stated that upon the persuasion of SOBELL he joined the Communist Party about the fall of 1939 and added that SOBELL was at that time already a member.

NY T-1 stated there were approximately five Communist Party meetings held at SOBELL's apartment. He stated that he was present during each meeting. NY T-1 stated that the only person whom he could recall by name who was a member of their cell at that time was one SARAH SILVERMAN.

NY T-1 stated that he could not recall whether SOBELL attended any meetings at the home of SARAH SILVERMAN but stated that SOBELL had been dating SILVERMAN at the time the Communist Party meetings were being held in SOBELL's apartment.

MORTON SOBELL was convicted on March 29, 1951, in the United States District Court, Southern District of New York of conspiracy to commit espionage on behalf of the Soviet Union and was sentenced on April 5, 1951, to 30 years imprisonment. He is currently serving his sentence in the custody of the Attorney General.

NY T-1 stated that SARAH SILVERMAN in 1939, was about 25 years old and was employed by the Civil Service Commission in Washington, D. C. He stated that she either left Washington or dropped out of the Party a short time later and he has not seen nor heard of her since that time. NY T-1 advised that SILVERMAN and SOBELL were in the Communist Party at the same time.

It is noted that on Security Investigation Data for Nonsensitive Position Form, Standard Form 85, certified by the employee on March 14, 1966, she indicated that she was born on December 29, 1943 and was employed by the United States Civil Service Commission, Washington, D. C. from December, 1939 to April, 1942.

RESULTS OF INVESTIGATION

On September 22, 1950, NY T-1 advised that MAX ELITCHER and MORTON SOBELL resided at 4925 Seventh Street, Northwest, Washington, D. C. from the spring of 1939 until the spring of 1940. During that year, NY T-1 stated no more than five Communist Party meetings were held in the apartment at this address. NY T-1 recalled that he joined the Party during the fall of 1939 and the five Communist Party meetings referred to above were held at the apartment after he joined the Party.

NY T-1 advised that at these meetings an individual named SARAH SILVERMAN was present. He added that another individual whose name he could not recall also attended these meetings and that this person resided in an apartment in the Northwest section of Washington.

In July, 1966, NY T-1 advised that he was introduced to SARAH SILVERMAN sometime in 1939 by MORTON SOBELL. He advised that he knew SARAH SILVERMAN for about a year and a half during 1939 and 1940. He stated that during that period, he knew her to be a member of the Communist Party and believes that she attended meetings in the apartment of MAX ELITCHER and MORTON SOBELL. He could not recall the specific number of meetings that SARAH SILVERMAN attended nor could he recall her at any specific meetings.

NY T-1 advised that he lost contact with SARAH SILVERMAN in 1940 and has had no dealings with her since that time.

NY T-1 advised that SARAH SILVERMAN could be described as a very passive member of the Communist Party in that she took no active part in the discussions and seemed to know very little of the theory of Communism. He recalled

NY 121-2917

that she was originally from Baltimore and she seemed to be a person of good character and reputation and not to be wild and flighty. He described her as a sincere individual but stated that he saw in her no basic conviction regarding Communism. She seemed to have very little knowledge of the subject.

NY T-1 stated that he believes that Communist Party meetings were held in the apartment of SARAH SILVERMAN sometime during 1939 or 1940. He cannot specifically recall any such meeting being held in her apartment but stated these meetings were held in almost every member's of the Party's house at some time or other. NY T-1 also believes that SARAH SILVERMAN was undoubtedly active in the American Peace Mobilization since this was one of the activities in which the Communist Party was interested in at that time. He cannot specifically recall SARAH SILVERMAN's participation in this organization.

The American Peace Mobilization has been designated pursuant to Executive Order 10450.

NY T-1 stated that he would recommend SARAH SILVERMAN for a position with the United States Government providing she had discontinued her affiliation with the Communist Party and had not been active in it since he last knew her. NY T-1 stated that he, himself, continued his activities in the Communist Party until about 1947 and during the period from 1940 to 1947, he cannot recall observing SARAH SILVERMAN as being an active participant in any Communist Party activity. For this reason, he feels that she dropped out of the Communist Party in about 1940.

NY T-1 advised that he knew of no other person who would have any knowledge of the Communist Party activities of SARAH SILVERMAN.

NY T-1 also advised that he is not willing to appear before a hearing board or to furnish assigned statement.

NY 121-2017

On January 17, 1951, Mrs. SIDNEY POWELL, 56-27 194th Street, Queens, New York, advised that her maiden name was SARAH SILVERMAN and that she had been employed by the Civil Service Commission in Washington, D. C., in about 1939. She advised that about that time she had known MAX ELITCHER as a casual acquaintance with whom she had played tennis at a public park. She stated that she knew nothing of ELITCHER's background or his work and did not know where he lived except that it was somewhere in the northwest section of Washington, D. C. Mrs. POWELL stated that she never met any of his friends and that at no time did she ever date them.

Mrs. POWELL stated that she never heard of the name of MORTON SOBELL, nor was she able to recognize a photograph of MORTON SOBELL. She stated that she had never been a member of the Communist Party (CP) nor a member of the American Peace Mobilization. She also stated that she had never heard of JULIUS ROSENBERG and was not aware of the fact that ROSENBERG and SOBELL were in jail awaiting trial on charges of espionage.

JULIUS ROSENBERG and his wife, ETHEL ROSENBERG were convicted in the United States District Court, Southern District of New York, on March 29, 1951, of conspiracy to commit espionage on behalf of the Soviet Union. RESULTS OF INVESTIGATION

On June 30, 1966, and July 1, 1966, a review of the personnel records, Federal Records Center, St. Louis, Missouri, indicated that SARAH SILVERMAN was employed on November 4, 1935, as a Senior Clerk with the Works Progress Administration, at Johns Hopkins Hospital, Baltimore, Maryland. This employment was terminated on July 15, 1937, as a Senior Clerk because the project was closed.

On July 22, 1937, she was again employed as a Senior Clerk with the Works Progress Administration, at Johns Hopkins Hospital, Baltimore, Maryland. This employment was terminated on January 24, 1938, as a Senior Clerk by reason of having secured other employment.

She was employed on August 15, 1938, as a Junior Statistical Clerk with the Works Progress Administration, at Baltimore, Maryland. This employment was terminated on June 5, 1939, as a Junior Statistical Clerk, by reason of having obtained private employment.

She was employed on December 1, 1939, as an Under Card Punch Operator with the United States Civil Service Commission, Statistical Division, Tabulating Section, Card Punch Unit, at Washington, D.C. Letter to Washington Field
RE: DAVID ZOULLEOUSE LEVITOV

New York and Washington Field are referred to their case file captioned "Morton Sobell, with aliases, Espionage - R," New York file 100-37158 and Washington Field file 101-2316. This discloses that David Levitov, when contacted by Bureau Agents, was cooperative (see WFO teletype 7-24 and 27-50). It is also noted he testified before a Federal Grand Jury on 10-27-50. (101-2483)

In this investigation New York and Washington Field should refer to their case files captioned "Helen Sobell, with aliases, SM-C," New York file 100-109849 and Washington Field file 100-3074. (100-404849)

It is noted that the applicant's sister, Helen Sobell, was at one time married to Clarence Darrow Gurewitz, the subject of WFO file 65-1131. The file indicates they were married between 1938 and 1945. Gurewitz has been identified as a Communist Party member. (100-4724)

New York and Washington Field are also referred to their case files 65-15396 and 65-5553, respectively, which relate to William Danziger. The report of SA Silverthorn dated 12-9-50 at New York mentions the applicant and his sister, Edith Levitov, in connection with mail from the Sobell's in Mexico directed to Danziger in New York and in turn forwarded to the Levitov's in Virginia. (101-1632-70)

Washington Field report the basis. The report should clearly disclose the relationship between the applicant and the Sobell's and should be directed toward determining the extent of influence which may have been exerted of him by the Sobell's and Gurewitz. New York will characterize the Sobell's and Danziger and Washington Field will characterize Gurewitz. Washington Field should bear in mind that any cooperation on the part of the applicant with the Bureau should be reported factually by that office. Baltimore and St. Louis conduct the necessary agency checks.

It is incumbent upon all offices to insure that the buled is met.

RECORD SEARCH INFORMATION - - - (See introductory statement on Form DI-34)

The files reflect the following information on DAVID LEVITOV

(All underscoring and capitalization supplied unless otherwise indicated.)

1. In article appearing in the Washington (D.C.) Post, 8-18-50, captioned "SOBELL Background Here a Murky One", reflects the following, in part:

"Backtracking the Washington life of MORTON SOBELL, jailed as a Russian spy, yesterday led reporters to many small curtains:

"He lived and worked here, and wed a former Arlington, Va., girl. Yet those who knew him at all could scarcely recall him; those who may have known him well were flight-flipped.

"SOBELL married Mrs. HELEN LEVITOV GUREWITZ, who last year was named by the FBI as membership secretary of the District of Columbia COMMUNIST PARTY.

"She was so identified in District Court at the JUDITH COPLON espionage trial, in June, 1949. And her first husband, CLARENCE D. (CASEY) GUREWITZ, was named in the same Government document as a very active member of the COMMUNIST PARTY, District of Columbia, and has been so for 12 years.

"Mrs. SOBELL'S relatives in Arlington were reluctant to talk. A brother said she was estranged from the family by her part in COMMUNIST things.

"We don't talk about HELEN," said her brother, DAVID LEVITOV, of 2135 Lee Highway, Arlington. "She probably knew what he (SOBELL) was doing."

"At the GUREWITZ home, at 1619 R St. NW., a woman told questioners: "I'm sorry, we have no information. Sorry. Sorry. Sorry."

"SOBELL, the FBI disclosed, was born in New York City on April 11, 1917. His parents, now naturalized United States Citizens, were born in Russia. His father now works as a pharmacist in a New York drug store.

"In 1938, the son was graduated from the City College of New York with a bachelor of electrical engineering degree. He came here to the Navy Bureau of Ordnance the following January.

When SOBELL left the bureau, in 1941, for the University of Michigan, he apparently took with him the memory of HELEN LEVITOV GUREWITZ. For he returned to marry her on March 10, 1945. He took leave for the wedding while employed in the General Electric Co., at Schenectady, N. Y.

The files reflect the following information on: DAVID LEVITOV

(All in - - - - - cording and capitalization supplied, unless otherwise indicated.)

"SOBELL joined GE after receiving his master's degree in electrical engineering at the University of Michigan. He worked there from June 15, 1942, until June 13, 1947, the period in which he is charged with conspiring with others to send national defense information to Soviet Russia.

"He left GE to accept employment in Mid-1947 with the Reeves Instrument Co. of New York and was employed by that firm until he failed to appear for work, on last June 16, the day another spy ring was arrested.

"Wire services last night reported locating Mrs. SOBELL and her two children in Laredo, Texas. One child was identified as Sydney GUREWITZ, about 9, a son of her first marriage; the other, Mark SOBELL, 15-month-old son of her present marriage.

"Mrs. SOBELL, the wires indicated, was as noncommittal as her Washington relatives and her husband's friends."

MORTON SOBELL was convicted in U. S. District Court, Southern District of New York, on March 29, 1951, of Conspiracy to Commit Espionage on behalf of the Soviet Union. He was sentenced on April 5, 1951 to 30 years imprisonment and is presently serving his sentence in the Federal Penitentiary at Atlanta, Georgia.

The DAILY WORKER, THE WORKER, PEOPLE'S WORLD, NATIONAL GUARDIAN and other publications have, between 1951 and 1961, printed numerous articles (many of which were contributed by HELEN SOBELL concerning MORTON SOBELL and JULIUS and ETHEL ROSENBERG (co-defendants in the trial of MORTON SOBELL), including HELEN SOBELL'S participation in various speaking engagements, debates, ceremonies and organizational sponsoring activities regarding MORTON SOBELL and the ROSENBERGS, and also her participation in other activities which were prominently mentioned in these publications.

The DAILY WORKER, formerly the official organ of the Communist Party on the East Coast, ceased publication on January 13, 1958, at which time it was succeeded by an enlarged edition of THE WORKER, a weekly publication.

THE WORKER is the Official Communist Weekly Newspaper on East Coast.

Its major effort centered upon Morton Sobell, the Rosenbergs' codefendant. Headed by Joseph Brainin as chairman, the committee had national headquarters at 1050 5th Avenue, New York City, and more than 40 local affiliates throughout the country.

In an effort to refresh POND's memory and to obtain more information as to the length of time this group was in existence, its leadership, operation, and its successor, if any, it is asked that New York question POND along the above lines. (u)

It is also requested that POND be questioned thoroughly concerning his discussions with LOUISE from which he concluded there was in existence at least one other Communist group within OPA. It is noted that POND identified WILLIAM W. STAFFORD as an OPA employee who was probably a member of the other OPA group. The enclosed group photograph shows one W. STAFFORD who is probably identical with WILLIAM W. STAFFORD. (u)

Re HELENE BLITCHER, New York files 100-79449 and 65-24873; pages 39 and 40 of the report of SA VINCENT J. CARRILL dated 3/31/52 at New York entitled 00000, IS - C, reflect she stated she was employed by the War Department from February, 1943 until December, 1944 and by OPA from December, 1944 until approximately 1946 and for a short while starting about March, 1947. She also stated from about the Fall of 1943 until approximately April 1946 she was a member of the Navy Department Cell. She advised she normally would have been picked up as a member of the War Department Cell but that Cell made no overtures to her. (u)

It is requested that New York interview her for any information she might have concerning OPA Branch and the War Department Cell. (u)

It would appear that HELENE BLITCHER might have some information concerning LOUISE B. GERRARD, was, and her associates inasmuch as it is known LOUISE for a while, although prior to HELENE's OPA employment, was local representative of Local 203, the United Federal Workers of America, the Local of which HELENE was probably a member. It is also asked that she be questioned concerning NATHAN GERRARD. (u)

As HELENE indicated a number of OPA group activities in the Communist movement on the part of OPA employees, it is requested that she be presented for identification the names listed in WFO letter 4/8/52 to New York captioned DONALD ED LLOYD POND, IS - C, the names enclosed with this letter, and the photographs. (u)

It is noted that WFO files show both HELENE and MAX BLITCHER have already furnished information to New York on some of the lines. (u)

Enclosed is a group picture of probable OPA employees. This picture was obtained from the "Federal Reporter", UPF - CIO, July 11, 1946 and shows the OPA Adjustment Committee, UPF-CIO. It is requested that they be shown to POND for identification purposes. (u)

It is noted that the Civil Service Commission shows POND was employed by OPA from 9/24/42 to 10/4/44, and that LOUISE GERRARD was employed by OPA from 7/12/42 to 7/7/43. In January, 1945 when CSC was conducting an investigation of [redacted] was interviewed as a neighbor at 51 Hick Street, Brooklyn and stated he knew [redacted] through [redacted] wife, [redacted] that he met her about six months after he started working with OPA. Apparently the existence of the OPA Group under LOUISE'S leadership to [redacted] knowledge would, therefore, start about March, 1943 and end no later than 7/7/43 when she resigned from OPA. This also appears to tie in with [redacted] belief that [redacted] had attended a meeting of the group inasmuch as CSC shows both [redacted] and [redacted] were employed by OPA about that time. b7c b7D (u)

It is further noted that POND stated he attended four or five meetings and was told by LOUISE to cease attendance because he had been denounced as a Communist. POND stated he continued making donations and contributing to the group. It is requested that he be asked the nature of the donations and contributions and to whom were they given. (u)

In regard to POND'S statement that meetings of the group which he attended were in the homes and apartments of members of the group and that he is unable to recall the addresses, the following addresses known in WFO files are listed with the thought POND may be able to identify one or more of them. The aim of the Executive order of Sept. 4, 1924, and of this examination thereunder is to obtain information as to the physical condition of appointees to the classified civil service with a view to promoting efficiency and minimizing accidents and claims under United States employees' compensation laws.

NOTES FOR EXAMINING PHYSICIAN

WEIGHT.—Make, without clothing, and also in ordinary clothing without overcoat or hat (weigh twice); females, clothed, but without wrap or hat. If overweight, state whether due to bone and muscle or to fat.

HEIGHT.—Without boots or shoes; observe that no appliances are used to increase.

The examination should include the following observations, as to—

1. **EYES.**—Ptosis; discharge; corneal scar; pterygium. In recording distant vision consider 20 feet as normal and report all vision as a fraction with 20 feet as numerator and the smallest type read at 20 feet as denominator. If glasses are used, record for each eye the finding with and without glasses.*

2. **EARS.**—Evidence of middle ear or mastoid disease; condition of drums; discharge. In recording hearing, record 20 feet as normal distance for conversational voice and record deviation from normal as fraction with 20 as denominator and actual distance as numerator.

3. **NOSE.**—Ability to blow through each nostril. If free, a speculum examination would not be indicated.

4. **MOUTH.**—Missing teeth, pyorrhea.

5. **THROAT.**—Tonsils, hypertrophy or disease.

6. **THYROID.**—Presence of tumor in neck and tremor, exophthalmos; nervous high-strung disposition, especially in women.

7. **HEART.**—Murmurs. State whether functional or organic. If valvular disease exists, state whether or not it is fully compensated.

8. **LUNGS.**—It is necessary that the auscultatory cough be used. Tuberculosis; if present, state whether active or arrested, and if arrested your opinion as to how long it has been quiescent. Sputum to be examined for tubercle bacilli in all suspected cases.

9. **HERNIA.**—Give details as to size, location, etc., and whether well-fitting truss is worn. An inguinal hernia exists when ring is enlarged and impulse is felt on coughing.

10. **FEET.**—Flat foot of such a nature as to incapacitate or become aggravated by work or be alleged later to have been caused by accident or occupation. By "flat foot," as used in this form, is meant a weak foot with impaired function, the term being equivalent to "fallen or misplaced arch," an abnormal condition. Impairment of function is the point to be noted. An anatomically flat foot, but strong, is not disqualifying.

11 and 12. Scars, deformities, atrophies, and paralyses should be noted, but it is not important that small, insignificant scars or blemishes which might be referred to as marks of identification be recorded.

13. This entry should include symptoms and full history of any mental or nervous abnormality.

14. Urinalysis to be made and blood pressure to be taken in the cases of persons over 40, and in all cases where arteriosclerosis, nephritis, or diabetes is suspected.

"(1) It shall be unlawful for any person employed in any capacity by any agency of the Federal Government, whose compensation, or any part thereof, is paid from funds authorized or appropriated by any Act of Congress, to have membership in any political party or organization which advocates the overthrow of our constitutional form of government in the United States.

"(2) Any person violating the provisions of this section shall be immediately removed from the position or office held by him, and thereafter no part of the funds appropriated by any Act of Congress for such position or office shall be used to pay the compensation of such person;"

It is provided in various appropriation acts that no part of the funds so appropriated shall be used to pay the salary or wages of any person who advocates, or who is a member of an organization that advocates, the overthrow of the Government of the United States by force or violence, and that an affidavit shall be considered *prima facie* evidence that the person making the affidavit does not advocate, and is not a member of an organization that advocates, the overthrow of the Government of the United States by force or violence. Such acts provide further that any person who advocates, or who is a member of an organization that advocates, the overthrow of the Government of the United States by force or violence and accepts employment, the salary or wages for which are paid from any such appropriation, shall be guilty of a felony and, upon conviction, shall be fined not more than \$1,000 or imprisoned for not more than 1 year, or both, and that the above penalty shall be in addition to, and not in substitution for, any other provisions of existing law.
